Sir:

The undersigned, a representative authorized to sign on behalf of the assignee owning all of the interest in this patent, hereby revokes all previous powers of attorney or authorization of agent granted in this application before the date of execution hereof. The undersigned verifies that Afton Chemical Corporation is the assignee of the entire right, title, and interest in the patent application identified above by virtue of an assignment from the assignee recorded in the U.S. Patent and Trademark Office on November 1, 2004 at Reel 015918, Frame 0557. The undersigned certifies that the evidentiary documents have been reviewed and to the best of the undersigned's knowledge and belief, title is in the assignee Afton Chemical Corporation.

The undersigned hereby grants its power of attorney to the patent practitioners associated with **Customer Number 66882**, both jointly and severally as its attorneys with full power of substitution and revocation to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith, and to receive the Letters Patent.

Please note the new attorney docket number of **NM 7625** and send all future correspondence concerning this application to **Customer Number 66882** corresponding to the law firm of John H. Thomas, P.C. at the following address:
